By Pope Francis

Part 1: We begin by taking some time to simply take stock of what has happened and how we have been personally affected by this global pandemic called Covid.

“To enter into the crisis is to be sifted” pg 1

How have you been sifted while in Covid?

“The basic rule of a crisis is that you don’t come out of it the same,. If you get through it, you come out better or worse, but never the same.” Pg 1

Are you better or worse? How are you different?

“In trials of life, you reveal your own heart: how solid it is how merciful how big or small.” Pg 1

What have you learned about yourself that has surprised you?

“In a crisis there’s always the temptation to retreat.” Pg 3

How have you been tempted to retreat?

“To act in a Samaritan way in a crisis means letting myself be struck by what I see, knowing that the suffering will change me.” Pg 3

How have you been a Samaritan in this crisis?
