

# Let Us Dream

By Pope Francis

**Part 3:** *In light of a global Covid pandemic and our personal Covids, we need to begin to name the issues that we have seen in ourselves and in our societies.*

*“This is a moment to dream big, to rethink our priorities, what we value, what we want and what we seek ...” pg 6*

How has Covid allowed you to rethink and dream bigger?

*“ ... and to commit to act in our daily life on what we have dreamed of.” Pg 6*

What changes are you seeing in your daily life that are helping you make room for the dreams you are dreaming?

*“But it’s a time especially for the restless of heart, that healthy restlessness that spurs us into action.” Pg 6*

How does a healthy restlessness feel different from an unhealthy restlessness?

*“Now more than ever what is revealed is the fallacy of making individualism the organizing principle of society.” Pg 6*

How does this phrase land on you as an American? Do you agree with it?

How can we move forward knowing this is one of the great foundational truths of America?
